## ERRATA

Errors inadvertently appeared in the Note, *The Rehabilitation Act's Otherwise Qualified Requirement and the AIDS Virus: Protecting the Public From AIDS-Related Health and Safety Hazards*, 30 ARIZ. L. REV. 571 (1988). The text and accompanying footnotes beginning with the third paragraph from the top of page 583 and ending just before the second paragraph on page 584 should have appeared following the last paragraph in footnote 26 on page 579. The insertion of these paragraphs in the main body of the text altered the sequence of the *supra* and *infra* references in the remaining footnotes.
